

MASONITE®

EXTERIOR DOORS

Fiberglass and Steel

Masonite is built on a 100-year history of innovation and sustainability. We proudly manufacture our doors using renewable natural resources to be better stewards of our planet. We thoughtfully design our selection and purchase processes to provide a best-in-class customer experience. We strive to deliver on these promises — every time.

We are on a mission to make life better as we elevate the “everyday door” into something extraordinary. We create beautiful, durable exterior and interior Doors That Do More™ in a curated portfolio that fulfills human needs for comfort, safety, security, and convenience so that people can rest, learn, work, and live more comfortably.

As we enter our next century, we will continue to ask what more can our doors do to make life better.

Note: Outswing Masonite® Performance
Door System options also available.

Better. Stronger. More Secure.

Elevate security with M-Protect™. When integrated into any Masonite® Performance Door System, our multi-point lock is **4X stronger than a deadbolt***— delivering enhanced protection against break-ins, and surpasses one of the highest levels of industry benchmark tests for security.

Featuring tapered bolts and adjustable strike plate rollers, its design compensates for imperfect installations to ensure smoother everyday use. Unlike some competitors, our system is available with a range of hardware options, including electronic and smart locks.

Plus, enjoy added peace of mind with our trusted 10-year limited full replacement warranty that also covers re-installation costs in case of water resistance warranty breach.

*Testing performed on a door without glass; results may vary for other door styles.
